Dear Parents and Carers

Covington Park Primary will be working with the Hope project from next term, looking at developing healthy friendships and relationships, based around the themes of kindness and respect. This will include training for staff, an assembly for children and some pupil workshops.

Alongside this, we will be offering some Hope drop-in sessions for parents/carers. These are completely free and confidential sessions for anyone that is or has been suffering any form of domestic abuse/harm, or knows someone who is or has suffered, or if you wish to speak about children who have experienced domestic harm.

There is no need to book for these, just turn up on the dates below and ask the office to see Heidi.

4th March and 1st April – 08:30-09:30.

Yours sincerely

J. C. Andrews
