

UK Government

Emergency Alerts

now

# The Emergency Alerts system is live across the UK

If an alert is sent you will hear a loud siren-like sound on your phone and see a message on your screen which will tell you what you need to do. The system will be used to warn you when lives are in danger.

To find out more, or check if an alert is genuine, go to **[gov.uk/alerts](https://gov.uk/alerts)**

## Emergency Alerts

Our way to warn you when lives are in danger
